

COVENANT SISTERS TEAM

Covenant Sisters is the home mission's emphasis of International Women's Ministries. It is an arm of the Covenant Ministry Team. It connects the women of each state or region into a covenant with the women and ministries of the 12 – 15 states/regions comprising the team. North Georgia is a part of the Madden Covenant Ministry Team under the leadership of Tom and Charla Madden. The focus is encouragement, prayer and kingdom building.

Purpose

To create a leadership team who pools resources, shares common ideas, embraces common goals, locking arms and moves together in faith, trust and commitment as mutual encouragers, prayer partners and laborers together.

- To **engage** women in kingdom principles of sowing and reaping, blessing and being blessed, giving and receiving.
- To **provide** a network of financial assistance for ministry in state where financial resources are inadequate, and laborers are few.
- To **encourage** equity and accountability in the distribution of resources.
- To **nurture a** ministry of encouragement in its diverse expressions among women.
- To **equip** women for a ministry of intercession and prayer one for another.

You may give as often as you can to Covenant Sisters by mailing to the North Georgia Church of God State Executive Office or online at www.ngacog.org and designate your giving.

God has given each of you a gift from his great variety of spiritual gifts. Use them well to serve one another. 1 Peter 4:10
